

Invitation to participate: IEEE Teacher In-Service Program (TISP) Training Workshop in Princeton, New Jersey

As a pre-university level educator, we invite you to participate in an **IEEE Teacher In-Service Program (TISP) Training Workshop** on November 5 & 6, 2016 at the Princeton Marriott Forrester.

In this 1½ day workshop, you will interact directly with engineers and fellow educators from the local area. You will have the opportunity to share your experiences and any challenges you may be facing in the classroom. You will learn how to use engineering & engineering design lesson plans and hands-on activities in your classroom to motivate students toward a better understanding of engineering.

The workshop has been organized jointly by the IEEE Jersey Coast, Princeton/Central Jersey, North Jersey and South Jersey Sections and the IEEE Educational Activities Board.

Register to attend by October 21
<http://www.cvent.com/d/1vqng1>

Please note: The registration link above gives you access to register for the workshop and to request a hotel reservation for Saturday evening (for those who live more than a 1 hour distance from the hotel).

Workshop Schedule

Saturday, 5 November 2016

| | |
|-------------|---------------------------------|
| 8:30 – 9:00 | Registration |
| 9:00 – 6:00 | Workshop Session |
| 6:00 – 8:30 | Networking Reception and Dinner |

Sunday, 6 November 2016

| | |
|---------------|------------------|
| 08:00 – 09:00 | Breakfast |
| 09:00 – 12:00 | Workshop Session |

IEEE will reimburse all reasonable travel-related expenses following the workshop. Travel-related expenses include up to a one night hotel stay (for those living more than a 1 hour distance from the hotel) and transportation to and from the workshop location (personal car mileage or train). Instructions for requesting reimbursement will be shared during the workshop.
